## **WELCOME FROM THE PRINCIPAL**

Dear Parents/Caregivers,

On behalf of the entire school community I welcome you to Glenella State School. I hope that your association with this school will be a satisfying, enjoyable and rewarding one. This school caters for students from the Prep Year through to Year 6.

The object of this Handbook is to provide Parents/Caregivers with a source of information regarding the operation of this school. Whether you are a new family to Glenella SS, or an existing family, you should find this information helpful and informative. All families should read and familiarise themselves with the details in this Handbook.

As part of our 'open door' policy we welcome you into our school at all times and ask you to acknowledge the rights and responsibilities of all visitors to the school.

There are many opportunities for you to become involved in school activities, including playing an active role in your child/ren's education. Your active involvement would be appreciated and is encouraged. Along with volunteering in classrooms, another way to be actively involved in the school is through the P&C Association who meet each month and who participate in school decision making and other important activities.

We believe strongly in a team approach at Glenella SS – this includes strong links between and amongst the three important groups, including Students, Staff and Parents/Community. Our school is well renowned for the positive and productive way these three groups interact and support one another and we look forward to you and your family becoming part of this team.

I look forward to working with you to help your child(ren) to reach their full potential whilst enrolled at our wonderful school.

Regards

Mr Brett De Boni  
ACTING PRINCIPAL

## **GLENELLA STATE SCHOOL PARENTS & CITIZENS ASSOCIATION**

The P & C's role is to assist the school with funding support and also to give parents input into school decision-making.

Common goals of P&C meetings are to:

- Exchange information
- Solve problems
- Make decisions
- Share concerns
- Explain issues

Meetings bring together people with different ideas and experiences.

The P & C Association meets on a monthly basis in the school Library and all parents and members of the community are invited to attend.

Please consider becoming an active member of the Glenella State School Parent and Citizens Association. It can be very rewarding and interesting and you may even learn something you never thought you would. The more of us who play a part in this important group the more OUR children benefit.

A strong and committed P&C makes for a successful and happy school environment.

### Application for Membership

Membership of the Association is annual and subject to the completion of the Association's registration form.

Membership of the Association lapses at the Annual General Meeting of the Association and is renewable each year by completion of the Association's registration form.

Persons applying for membership at the Annual General Meeting need not be present to have their application received.

Persons applying for membership at a General Meeting must be present at the meeting of the Association at which their application is received.

Members of the Association are not required to pay a membership fee.

Throughout the school's long history, an active parent involvement in the school has been evident. Parents regularly come together for working bees, special projects and for a variety of celebrations throughout the year.

We look forward to you joining us in whatever capacity you can to work with the school for the mutual benefit of our children and to enjoy the great social experiences that our community is well renowned for.

Glenella State School Parents and Citizens Association

## **OUR SCHOOL VISION**

At Glenella State School we aspire to providing a safe, respectful and disciplined learning environment for students and staff, where students have opportunities to engage in quality learning experiences and acquire values supportive of their lifelong wellbeing. Via our Whole-school Curriculum Plan, teacher delivery of the required content is undertaken by following Education Queensland's preferred method of delivery, The Dimensions of Teaching and Learning. This helps to ensure that we are "working together to ensure that every day, in every classroom, every student is learning and achieving".

## **OUR SCHOOL VALUES**

Glenella State School's Values are aligned to the Department of Education, Training and Employment Values.

To achieve Glenella State School's Vision, we have a commitment to:

- Trust and Respect - Every stakeholder is treated with the trust and respect they deserve, whilst valuing the diversity within our school community.
- Productive Relationships – We foster and promote working in positive, productive partnerships with all stakeholders.
- Excellence and Equity – We have high expectations of our staff, students and parents along with belief in and actions aligned to fairness and impartially with all stakeholders.
- Leadership and Accountability – We encourage strong, shared leadership and we are prepared to accept personal responsibility for our actions.
- Health, Safety and Sustainability – We promote health and well-being by creating safe and sustainable work and learning environments.

## **OUR SCHOOL MOTTO**

Who can? We can!

Valuing the Individual ensures quality learning.

- **PLEASE LABEL ALL ITEMS OF CLOTHING.**
- **The 'Uniform Shop' is located in the administration building for purchase of Glenella SS uniform requirements.**

**The following section of the Parent Handbook is an alphabetical list of procedures and policies that relates to the day to day running of the school. If you are unable to find the answer to any question you have please feel free to contact the school and we will gladly assist you.**

**ABSENTEEISM:**

By Act of Parliament, school attendance is compulsory and so students are required to be at school each day of the school year. If sickness, medical appointments or other circumstances prevent attendance at school, Parents should either contact the school by phoning 49692333 or emailing [admin@glenellass.eq.edu.au](mailto:admin@glenellass.eq.edu.au) by **9am each day** that the student is absent.

**ACCIDENTS AND ILLNESS:**

As a general rule, if a child is not well enough to take part in lessons, he/she should not be at school. Parents will be contacted in these instances and asked to collect their child from school.

Minor accidents are treated at school. In the case of accidents that might require medical attention, an ambulance is called and every effort is made to contact parents or those listed as emergency contacts for the student. The school will not accept responsibility for any costs incurred for medical attention or ambulance transportation.

**Given the above information, it is therefore essential that all student contact information is up to date and accurate. Should any details (address, telephone numbers, emergency contacts, medical history and/or medication needs etc) change, please inform the school immediately.**

**AFTER SCHOOL CARE:**

Before and after school care is available. This program is run by Camp Australia. If you wish to register for this service, please contact the school office for further details.

**ARTS COUNCIL AND EXTRA CURRICULA ACTIVITIES:**

Educational entertainment is provided for students throughout the year. A charge is made for each performance. Please note, if monies for these performances are not paid by the due date, we will assume the students will not be attending that performance. Supervision will be provided for all non-attendees.

**ASSEMBLY:**

Assembly is held every Monday morning commencing at 8.45am. Assembly includes an address from the Principal, communication of messages to the school community, acknowledgement of student achievements including Students of the Week and singing of the National Anthem. Parents and family members are always welcome to attend.

**BEHAVIOUR:**

Glenella State School is committed to providing a safe, respectful and disciplined learning environment for students and staff, where students have opportunities to engage in quality learning experiences and acquire values supportive of their lifelong wellbeing.

Our Responsible Behaviour Plan for Students is designed to facilitate high standards of behaviour so that the learning and teaching in our school can be effective and students can participate positively within our school community.

We strive to provide a learning environment where all students have a right to reach their potential, developing a sense of self-worth and self-discipline. It is recognised that all members of our school community are responsible for their own behaviour and this contributes to a safe, supportive environment in which effective teaching and worthwhile student learning can occur.

Our Responsible Behaviour plan for Students aims to ensure that students can come to school to learn, teachers to teach, and parents to be part of a co-operative effort to ensure learning outcomes (educational, emotional, social and physical) occur for every child to achieve at the best of their abilities.

Copies of the Glenella SS Responsible Behaviour Plan can be obtained from the school Office.

**BEE KEEPING:**

Honey bees are kept at the school. The older classes are involved in collecting honey and preparing it for bottling. Our delicious 'Hill Honey' is available from the school Office.

**CHAPLAINCY SERVICE:**

The school offers a Chaplaincy Service to students two days per week. Our School Chaplain is available for students to access should they feel the need for assistance and guidance in any way. Parents may contact the Principal to assist students to access this service. Although our Chaplain does not provide direct Guidance Services as such, they play a pivotal role in establishing support for students as required. Our Chaplain also works with teachers to assist in classrooms wherever possible.

**COMMUNICATIONS WITH SCHOOL:**

From time to time the need may arise to discuss a problem or issue that you may have with something that has happened or is planned to happen at school. Your child's Teacher and/or the Principal are always willing to discuss any matters with you. Please contact the school and organise an appointment so that we can assist you should this need arise.

**COMPUTER USE:**

The school has a large number of computers and all children in the school use these. The aim of this usage is to make the children aware of these devices, their functional uses and to support their learning. Also students from Yr 3 to Yr 7 have e-mail accounts and access the Internet as part of their educational experiences. Internet usage forms are completed by students and parents as part of the enrolment process.

**CONVEYANCE ALLOWANCE:**

Parents conveying their children more than 4.8km to school by private vehicle may be eligible for an allowance towards transport costs. Enquiries can be made with the Department of Transport.

**EMERGENCY PROCEDURES:**

Emergency evacuation procedures exist at the school. Evacuation plans are displayed throughout the school. Regular 'fire drills' and 'lockdowns' are held throughout the year to practice appropriate and orderly application of these should such circumstances actually arise.

**ENROLMENT:**

Glenella SS caters for students from the Prep Year through to Yr 6.

EQ guidelines for student starting ages are as follows:

- Prep Year – Children must be aged five years by the 30<sup>th</sup> June in the year they enrol. For a child entering Prep, schools require proof of the child’s date of birth via a copy of their birth certificate or passport.

Child born 1 <sup>st</sup> July 2016 to 30 <sup>th</sup> June 2017	Prep in 2022
Child born 1 <sup>st</sup> July 2017 to 30 <sup>th</sup> June 2018	Prep in 2023

- Year 1 – Children must be aged six years by the 30<sup>th</sup> June in the year they enrol.

Enrolment Forms can be obtained from the school Office and an enrolment interview with the Principal (or delegate) will be held prior to the student commencing at the school.

**EXAMINATIONS / ASSESSMENT / REPORTING TO PARENTS:**

Students will be involved in a variety of assessment tasks and examinations on an on-going basis throughout the year. Classroom assessment tasks and examinations are related to the key learning areas (subjects) that are studied at school. School internal monitoring activities are also undertaken by classroom teachers to help track individual student progress throughout the time students are enrolled at the school. Systemic assessments such as NAPLAN (National Assessment Program – Literacy and Numeracy) are also administered as required throughout the year. All of this information is used by teachers to produce a Report Card each semester which is sent home to families. We also strongly encourage all families participate in semester meetings with class teachers where each semester’s goals and outcomes can be discussed. We also encourage informal, open student progress discussions throughout the year.

**EXCURSIONS & CAMPS:**

School excursions and camps enhance student’s development of concepts and are related directly to the curriculum. The classroom program will include both pre-excursion/camp and post-excursion/camp activities to ensure maximum benefit from the trip. Advice will be given when these are planned and information will be provided to ensure families are fully informed of what the expectations of the trip are and any associated information such as costs etc.

**GLENELLA STORE/BP SERVICE STATION TUCKSHOP:**

The Glenella Store currently offers students a tuckshop system. Please note parents (not students) are to order and pay for lunches directly with Glenella Store by 9:30am on the day required. Glenella Store telephone number is 49421200. Staff from the store deliver tuckshop orders to the school gate where students from our senior class collect them. We encourage students and parents to make healthy food choices in regards to food eaten at school.

**HOMEWORK:**

Classroom teachers negotiate homework expectations within each class across the school. Homework activities assist students to develop a variety of skills across all key learning areas (subjects). It is an expectation that each student undertakes home reading every night Monday through Thursday as a minimum – books are accessed through the Library before school each day for this purpose. Additional tasks may be given to students to help consolidate previous classroom learning. Homework should be tailored to meet the specific needs of each child. Please feel free to discuss homework expectations with your child’s teacher so you can best support us as ‘the teaching team at home’. Homework helps to involve parents in their child’s education and to develop home study habits.

Having a suitable location and regular time for your children to complete homework is important.

### **HOUSE SPORTING TEAMS:**

There are four House Sporting teams (Ash – blue, Cedar – red, Oak – green & Pine – yellow) that students are placed in at the school. The main inter-house competitions include our annual athletics and swimming carnivals.

### **INFECTIOUS DISEASES:**

Some medical conditions require exclusion from school to prevent the spread of infectious diseases among staff and children. Queensland Health provides information on the recommended minimum exclusion periods for infectious conditions and will assist schools to meet the requirements of the Public Health Act 2005. The “Timeout” poster that outlines this information can be found on the Queensland Health website (<http://www.health.qld.gov.au/immunisation/publications/fs/pamphlets.asp>).

### **LIBRARY / RESOURCE CENTRE:**

The Library / Resource Centre has an important role in implementing the school’s educational programs by providing support services for both students and staff. Students can access the Library before school for Home Readers and during the day in class groups or as individuals at lunch time.

Borrowing - All children may borrow from the school library. Children are permitted two (2) books at any one time. Extra books are available for projects etc. Please ensure that the books are well cared for while at home and are returned promptly. Please note replacement of any lost or damaged books will be billed to the parents. We recommend the use of the blue Glenella SS Velcro bag for this purpose (available from the school office at \$8.00 each).

### **LOST PROPERTY:**

All students are responsible for their own belongings. To help prevent loss of articles we make the following suggestions:

- Label/name everything and check for missing items regularly.
- If something is missing, insist your child search for it the next day.
- Check the school Lost Property box situated outside the school Office.

Articles not claimed after a reasonable period of time will be removed from the school.

### **MEDICATION & ILLNESS AT SCHOOL:**

Education Queensland regulations require that schools can only assist with the administration of prescribed medication when:

- The parent has completed a “Request to Administer Medication at School” form - this form is available from the school Office or can be downloaded from the school website. **This form must be signed by the parent.**
- **The medication must be pharmacy labelled clearly stating the name of the child and the dosage.**

**Whilst staff members are prepared to assist in this matter, the ultimate responsibility rests with parents/caregivers. Please note verbal instructions for the administration of medication cannot be accepted and that under no circumstances will medication be administered to a student without the “Request to Administer Medication at School” form being completed by the parent/caregiver.**

All medication brought to school must be handed in at the Office along with the appropriate required documentation outlined above. These regulations also apply when students are off-campus during such activities as excursions and school camps. No other medication, herbal supplement etc than that prescribed by the doctor should be sent to school at any time for safety reasons.

If your child is an asthmatic please see the office as soon as possible to enable more detailed documentation to be completed.

A 'sick bay' area is provided for students who become ill or require first aid assistance during the day at school. This area is supervised by staff. Should it be deemed necessary, parents will be contacted to collect students who require further medical assistance.

Particulars concerning disabilities, medical conditions and allergies should be stated on the student enrolment form and updated by parents as necessary.

#### **MOBILE PHONES AND/OR ELECTRONIC EQUIPMENT:**

Students MUST hand in mobile phones and/or music or electronic equipment to the school Office for safe keeping and collect them after school. A sign in/sign out register is completed each day. The school accepts no liability for the loss of equipment brought to school.

#### **MONEY COLLECTIONS:**

The preferred method of money collection that is to be made payable to the school is through Direct Deposit to Glenella State Primary School General Account, BSB: 064-707 (Commonwealth Bank), Account No: 00090677, Reference: your child's name & name of activity. Any cash payments must be placed in an envelope with the child's name, amount of money enclosed and the activity it relates to. These envelopes can be handed in at the school Office.

#### **NEWSLETTER – "FRIDAY FOOTNOTES"**

"Friday Footnotes" is the name given to our Newsletter which is produced every second Friday to keep the school community informed of the wonderful things that happen at our school. The Newsletter also allows the school to keep you informed of future activities that are planned and to provide you with policies and procedures that relate to the day to day running of the school. Please consider having your Newsletter emailed directly to you. By emailing our Newsletter, we can save considerably on printing and paper costs and it is also friendlier to the environment.

#### **P. & C. FUNDRAISERS:**

- **HOY** - The P&C holds a Hoy morning at Magpies Sporting Club each Thursday with the proceeds being used for the benefit of our students. Helpers are required to assist with the running of the morning. Any assistance would be appreciated. If you can help, please contact the school.
- **LEVY** - A successful, well supported levy system has been in operation for many years. The funds raised by the P&C through the levy are put back into the school within that year. Levies can be paid on a Term by Term basis or annually, as follows:
  - 1 child only in family - \$20.00 per term or \$80.00 per year.
  - 2 or more children in family - \$25.00 per term or \$100.00 per year.

#### **PARENT HELPERS / VOLUNTEERS:**

Parents are welcome and encouraged to assist at Glenella SS in a variety of ways – classroom assistance, library volunteers, accompanying excursions, assisting with talents / areas of interest etc. We appreciate all assistance we receive and your children enjoy seeing you being involved in their schooling – it helps to show you value their education at Glenella. Please contact your child's teacher or the Principal if you would like to offer some of your time at our school.

#### **PARENT INFORMATION SESSIONS:**

These are run in the first few week of each year. It is a great opportunity to meet teachers and fellow parents and discover how the classroom works. Families will be advised of sessions via the Newsletter.

**PARKING:**

In the interest of student safety, parking within the school grounds is for **STAFF AND OFFICIAL PURPOSES ONLY**, i.e. school deliveries etc.

For parents using the Mooney Court entrance to the school, please note the following points for drop off area:

- It is a one-way entrance from Kinnon Street.
- Cars should be parked on the right hand side of the road.
- Parents who are dropping off/collecting children PLEASE do so on the left side of the road in our drop-off zone.
- The centre lane is for through traffic only.

Please note the Sweeney Court Carpark (opposite Magpies) is for PREP YEAR FAMILY USE ONLY. We request other parents use the previously mentioned parking arrangements.

**RELIGIOUS INSTRUCTION:**

Religious Instruction classes are held in classrooms at times negotiated between the school and R.E volunteers. These classes are Ecumenical in nature and are supported by resources especially developed for the program. Parents who do not wish for their child to attend Religious Instruction classes must provide a written letter at the beginning of each school year.

**SCHOOL CONTACT INFORMATION:**

Where possible, calls to the school should be made between 8:30am and 3:30pm. Interruptions to classrooms will not be made unless the matter is urgent – messages for teachers and students will be taken by Office staff and passed on at breaks. An answering machine is provided for times when Office staff is not able to directly take your call – please leave a clear message which will be attended to as soon as possible.

**SCHOOL PHOTOGRAPHS:**

Each year the school organises a professional photographer to visit the school to take individual, family, class group and staff photos. Parents are given the opportunity to purchase different photo packs from the company.

**SCHOOL WEBSITE:**

Our school website can be found at [www.glenellass.eq.edu.au](http://www.glenellass.eq.edu.au). Lots of information can be downloaded including enrolment procedures, policies, Newsletters, School Annual Reports etc. We will continue to upload information throughout the year.

**STUDENT LEADER OPPORTUNITIES:**

Each year we elect two School Captains from our Yr 6 cohort to act as school leaders as required throughout the year. We also elect two House Sporting Team Leaders for each House Sporting Team to help with organisation of inter-house competitions.

**SWIMMING:**

A swimming program is run in Semester 2 each year for all students at the school to participate in. An indoor pool with qualified swimming coaches is used to administer this program. Students are transported to and from the pool by bus. Specific information about cost, venue etc will be advised via the Newsletter and/or notes home.

**TENNIS COACHING:**

Children from the school can benefit from coaching lessons by professional Allan Harris and staff. Lessons are held directly after school each week. For further information please contact the school Office.

**TRESPASSING LAWS:**

Anyone found on the school grounds, during school holidays and/or out of school hours, without the prior approval of the Principal can be charged with trespass and so we remind families that our school grounds are not a place for anyone to be during these periods.

**If you were unable to find the answer to any question you have, please feel free to contact the Principal for further information.**
